By order of the State Superintendent acting under the direction of the Attorney General the people must this year buy newly adopted books. Teachers using the old books can not draw any money for this work are prices of the books are as follows:

McGuffy's New Second Render 20 McGuffy's New Fourth Reader McGuffy's New Fifth Render Ray's Modern Primary Arithmetic Ray's Modern Intellectual Arithmetic 29 Long's New Language Exercises, Part II. New Century Elementary Physiology 55 New Century Intermediate Physiology 30 Peterman a Civil Concernment Rational Writing Books, 5te per doz or 5e each. Old books published by the American Book Company will be taken in

exchange for new ones of the same grade if they have the backs on, Frye's geographies and Lee's histories will be used in the Lawrence county schools for the fiscal year of 1805-6. These books are included in years ago, and the publishers naturally insist upon their use until 'hat contract expires. All the other books adopted at his tilms are publishde by the American Book Company, which cancelled all previous contracts and

caused the new general law of the State to be put into effect. Remember, you can not exchange a book of one grade for that of an other. For instance, a first reader can not be exchanged for a second It can only be applied toward the purchase of a new first reader. Pull stock at
